

# ALIGNMENT SW CHARLOTTE

## OUR GOAL

To bring community organizations and resources into alignment so that their coordinated support of Charlotte's youth has a positive impact on public school success, children's health and the success of our community as a whole.

We embrace a "cradle to career" focus to find ways to act together and align interests so more children reach their human potential to allow communities, neighborhoods and business reach their potential as well.

# CONNECT COLLABORATE CREATE
