

Brown Grier Rd. & Gallant Ln. Sidewalk Project

- **Project Description:**

- To construct new sidewalk along the south side of Brown Grier Road and along the east side of Gallant Lane in order to improve pedestrian access to Kennedy Middle School and Steele Creek Elementary School. The project will also install high visibility crosswalks, pedestrian signals, and provide adequate crossing timing for pedestrians.

- **Project Selection Criteria:**

- High priority because this proposed sidewalk will be along a thoroughfare.
- Improves sidewalk connectivity to adjacent schools.

- **Project Schedule:**

	BEGIN DATE	DURATION
Planning	August 2014	7 Months
Design	March 2015	9 Months
RE	December 2015	9 Months
Bid	September 2016	7 Months
